Performances during the event included: Band, Beatboxing, and Stand-Up- by the college students, and also a dance by the BTL NGO children. Towards the end of the event, certificates of appreciation were given to the volunteers, calling every individual on stage. The purpose of encouraging participation and taking initiative was achieved by this event.

## Mumbai Roti Bank for Tata Mumbai Marathon

**TEDxCRCE** collaborated with **Mumbai Roti Bank**, a non-profit, food rescue organisation that bridges the gap between hunger and excess food on January 20, 2019 to distribute all the food that was left over from the 45,000 meal packets that were served to the participants of one of the most awaited marathons – The Mumbai Marathon.

A total of 26 **TEDxCRCE** volunteers helped to distribute these meal packets among the beneficiaries across South Mumbai. Two batches of 13 volunteers each distributed about 10,000+ meals at **Shree Manav Seva Sangh, Sion** and **Dongri Children's Home, Dongri**.

The efforts of our volunteers were greatly appreciated. We were featured on various platforms. Tata Mumbai Marathon official page tagged Roti Bank for our efforts. Mirror Now covered the entire event. The volunteers were awarded with certificates by Mumbai Roti Bank for their efforts.

We hope to contribute in more such community events aimed at serving for the society.

## **Ratna Nidhi Charitable Trust Book Sorting**

TEDxCRCE organised a book sorting session on February 23, 2019 at **Ratna Nidhi Charitable Trust, Grant Road (E)**. **Ratna Nidhi is proud to partner and lead with Alibaba Group's Mission Million Books**. The project seeks to distribute 1 million educational books Free of Cost to 10,000 educational institutions in India.

The project aims at educating young India by cultivating reading habits among children and provides access to quality reading material.

During the session, our volunteers sorted around 4000+ books according to their categories which included Engineering, Medical, Entrance Exams, Stories & Novels etc. 7 volunteers from TEDxCRCE were part of this drive. The books that were sorted are used by underprivileged children across Mumbai for their better future. With this drive, TEDxCRCE continues to serve the society.

## Aditya Jyot Foundation Guinness World Record

On January 26, 2019 TEDxCRCE participated in an event organised by Aditya Jyot Foundation at Dharavi that was a **Guinness World Record attempt for most diabetic eye screenings in 8 hours**. Our volunteers helped the organising committee for crowd management, at the registration desk and distributing food packets. A total of 30 volunteers were a part of this successful attempt. Through this attempt many people from poorer background with diabetes were able to receive a screening and check-up. With this event, TEDxCRCE continues to contribute towards the welfare of the society.

## REPORT

On the 11<sup>th</sup> of August, 2018 TEDxCRCE hosted its 4<sup>th</sup> Edition of the Main Event in Fr. Conceicao Rodriugues College of Engineering. The theme for the event was, "REWIND": The thought that emphasises on bringing back foundations laid in the past to nurture the present and build a brighter future.

The first session kicked off with the inspiring story of Paralympic champion who won India a gold medal in 2016. A fighter who made masses believe that nothing but strong desire to overcome disabilities can be the ladder to success. Vibhas Sen is truly an inspiration. Mr. V.S. Parthasarathy the Group CFO & CIO of Mahindra & Mahindra Ltd. explained the true meaning of leadership and how a leader should be strong, vulnerable, trustworthy and most importantly friendly. The session ended with Ms. Tanvi Shukla the top news anchor at MirrorNow, bringing to light the discrepancies in today's media and how to be ware of false news that takes stage. The audiences relished the High Tea break post the first session.

The second session started with Ms. Bistriti Poddar, founder of The Paperless Postcards. She inspired the audience by her journey through adversities which were her stepping stones to success. The next speaker was Mr. Nimesh Shetty, a transgender activist who voiced his opinion on transgender rights and how they should be given equal opportunities to achieve their dreams. Following Mr. Nimesh was Mrs. Subarna Ghosh, Academic Activist and founder of Rerlight Foundation. She spoke on awareness of women rights and through her words motivated young women who will be future mothers to make right choices. Her talk left everyone astounded. Our last speaker for the session who is an actor and an entertainer, Mr. Rithvik Dhanjani helped the spectators embark on a journey of self-discovery. He helped us believe that each one of us has our calling if we chose to look at the optimistic side of life. We then commenced our networking session.

After a fruitful interactive session, Ms Aashka Goradia gave a kick start to the final session. She expressed her opinion on aesthetical procedures and why the society should embrace an individual's choices for self enhancement. The next in line was Col. Subin Balakrishnan (RETD), who has had a distinguished career at the cutting edge of combat leadership. He helped instil a sense of patriotism and leadership in the minds of the youth. Pradmashri Shri Ramesh Sippy was next to take stage. He shed light education in the field of cinematography which would help increase the quality of 21<sup>st</sup> Century films. Last but not the least Mr. Ankur and Mr. Akshay brought the stage to life with their highly acclaimed performance of 60 years of Bollywood.

We take pride in the success of the event and hope to continue TED's mission of 'Ideas Worth Spreading'. The TEDxCRCE stage will certainly continue to showcase diversity and novelty in the years to come. We thank everyone who helped and motivated us.

"Great ideas need landing gear as well as wings" and we are elated to be the platform to witness these ideas flourish.

NSS  
REPORT  
2018-19

This document is a report of NSS activities performed by FRCRCE-NSS Chapter during the academic year 2018-19.

This file has been put up as a sample file to review the activities of Recent Academic Year.

The back volumes of the NSS activities in the past, will be available on college website.

### Nss Orientation Ceremony

The 8<sup>th</sup> August, 2019, the NSS unit of Fr. Conceicao Rodrigues College of Engineering conducted an inauguration ceremony for all the NSS members. Principal Dr. Mrs. Unnikrishnan, Program Officer Professors Mr. Saurabh Korgaonkar, Mrs. Dipali Bhise and Mr. Pradeep Singh and Student affairs Dean, Dr. V. Bilolikar were the chief guests for the seminar. This event began with lightening the lamp by the chief guests and giving bouquets to all the dignitaries. Mr. Saurabh Korgaonkar welcomed everyone on the account of NSS and gave a brief idea as to what was expected from the students by the NSS and the Indian community as a whole. Principal Dr. Mrs. Unnikrishnan also enlightened the students regarding the NSS and also appreciated the work and dedication of all the members. The NSS Council members informed the entire unit about the various activities of the NSS that take place throughout the academic year and also informed the unit about the reach of NSS in the society.

A presentation was started explaining the concept of NSS. Following which the students were informed about the basic requirements of the NSS course work. The students were then shown all the details of every event and camp conducted during the previous year. This presentation, still further, cleared the concept of NSS to every individual. The council members also expounded on the significance of the NSS motto, "NOT ME BUT YOU" and its logo. The new members were also informed about the decorum and culture to be followed during all the NSS camps and all the NSS events.

This session was really useful for generating the youth spirit amongst every individual's mind present during the ceremony. The entire unit was motivated by the inspirational speech of the honorable chief guests. The previous year's NSS council members were felicitated with bouquets and certificates for their splendid work during the academic year 2017-2018 and the new council for the year 2018-2019 was introduced. The orientation came to an end bringing in an energetic and an enthusiastic change in Fr. CRCE students towards social service.

### Rakhi and Handmade Item sale

The event was organised on 24<sup>th</sup> August 2018, in the view of the coming RakshaBandhan Festival. Rakhi and other handmade items such as cloth bags, jute bags, paper cards, envelopes, etc. were made by children with cerebral palsy in the Happy Hours NGO which were sold in Fr.CRCE by NSS. The event was started around 10.30 am and finished around 4pm

For the occasion of RakshaBandhan, our NSS Unit assisted Happy Hours Workshop, an organization for special children based in Bandra West, to sell Hand Made Rakhis and bags in the college premises, in order to support the children with special needs and enabling them to show their skills

The Rakhis and the bags were displayed at the college entrance, and a stall was set up since 10:30 am. These rakhis had been made using wool, stones, strings, and paper, among others. The bags were made of paper and cloths promoting recycling. Also, there were envelopes and anklets being sold.

Volunteers also learned a lot about children with special needs as they interacted with the representative from Happy Hours Workshop.

### Anti Plastic Rally

About 51 National Service Scheme (NSS) volunteers of Fr. Conceicao Rodrigues College of Engineering took out a rally here on Monday to highlight the pollution caused by non biogradabale plastic products.

The rally was aimed at educating the residents, road users and commercial establishments in Bandra west, Mumbai about the hazards of plastic waste, The students stressed the need for switching to cloth bags instead of plastic bags. They urged the people not to dump waste in public places and reduce their uses to reduce the non degradable waste

After the Rally , the students leaded by Principal Dr.SrijaUnnikrishnanpleadged to avoid the usage of plastic in the campus and also in their day to day lives

### **Bandra Fair Crowd Management Volunteering**

**Bandra Fair** is a week-long fair held annually in the Bandra suburb of Mumbai, India. It starts on the Sunday following 8 September, the Feast of the Nativity of Mary, mother of Jesus, at the Mount Mary Church, Bandra. The Bandra Fair is estimated to be around 300 years old. The fair started when a statue of Mother Mary was found floating in the Arabian Sea between 1700 and 1760, which, according to a legend, a Koli fisherman had dreamt about a few years earlier.

Thousands of people throng to the fair and immense manpower of Bandra police is utilised in providing security and maintaining orderliness at the fair. Hence the students of Fr. Conceicao Rodrigues college lend a helping hand every year to the police, helping in organising the same. This year around 78 students participated in the volunteering at the fair. The Mumbai police applauded the effort taken by the students through the fair and thanked them for their assistance in organising the same.

### Blood Donation

This year our college NSS unit had organized a BLOOD DONATION camp in our college campus on 19<sup>th</sup> September in collaboration with Holy Family Hospital, Bandra(west).

All the NSS volunteers were assigned time slots according to their classes for volunteering.

The blood donation drive was held from 9:00am to 5:00pm in Strenght of Material Lab. Active participation was seen right from the first hour of the blood donation drive.

By the end of the blood donation drive, a total of 52 successful donors were listed. The total participation for the blood donation drive was around 100. Rest were rejected because of several reasons like weight below the minimum level, Haemoglobin less than the required range, surgeries within a time span of 6 months, regular cold, cough etc.

By this one more successful event came to an end. It was the dedication of the NSS council members and the donors because of whom this drive was a huge success and we hope that everything what was donated be able to use at the right time, perhaps to save someone's life.

### Tree Plantation Drive

On 20<sup>nd</sup> October 2018, Fr. Conceicao Rodrigues College Of Engineering successfully completed the event of Tree Plantation under the National Service Scheme. The drive took place at the university and around 10 fruit bearing sapling were planted in the campus with the idea of generating a food forest for the same. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO<sub>2</sub>. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

NSS CRCE took the initiative to contribute to a **Greener and Healthier Mumbai** through its Tree Plantation drive. A total of **78 NSS members** participated in the drive. Event Heads from NSS CRCE Alden D'souza and LeniRodricks, lead the drive. The tree plantation drive was inaugurated by our Prof. HitendraBaboodasVaishnav, thereafter it was taken up by the volunteers for the rest of the saplings.

### Walk for freedom

**Walk For Freedom** is a global fundraising and awareness event. Rallying thousands of abolitionists, taking millions of steps, showing up in hundreds of cities all over the world, **Walk For Freedom** is an outward expression of our inward desire to see slavery completely abolished.

Walk for freedom was organised on 20<sup>th</sup> October 2019. 25 students from Fr. Conceicao Rodrigues college of Engineering participated in the same. The student felt proud during the walk as they were standing for such a noble cause. The walk started around 8 am and finished around 9 am.

## Beach Clean up Drives

### Location : Vasai

NSS CRCE conducted campus cleaning programme on 13<sup>th</sup> October 2019 at Suruchi Beach , Vasai.

NSS Members equipped themselves with rakes, brooms and large trash bags – ready to pitch in for Beach Cleanup Drive. Students divided into several groups, eager to begin. Some headed for the Trees area to clean up while others set about raking and gathering up plastics, branches, leaves and debris on the beach.

The end ended at 11:00am. This event was a fun and memorable experience for everyone.

On 23<sup>rd</sup> February 2019, The Hindustan Unilever and United Way held the "Clean My Mumbai" Campaign at Mahim Beach (the gathering point). The members of NSS CRCE, actively participated in the campaign. Everyone involved in the campaign gathered around 8:00 am at the gathering point. The volunteers of United Way gave instructions to all the present members and also enlightened them about the need of cleanliness in our city. The organizers provided each and every volunteer with face masks, gloves, brooms and caps to facilitate our work. All the members were divided into groups. Each assembled group was allotted an area to be clean. We set off to clean the beach by 9:00 am sharp. NSS Volunteers, whole heartedly cleaned the streets of Hill Road along with students from different schools who participated with in the campaign. The event was called off by 11:00 am. By the end of this applaud able initiative by The Hindustan Unilever, the beach was cleared of the plastic improving the beauty of the area . All the members were provided with refreshments and granted leave.

### Run for the ocean

Adidas is working with Parley to prevent plastic from entering the oceans and transform it into high-performance sportswear. Based on the brands' love of sport and responsibility, adidas and Parley for the Oceans announced the return of 'Run for The Oceans', a global running movement that uses the power of sports to raise awareness for the threat of marine plastic pollution. Around 53 students from the college took actively part in the initiative and helped raising awareness on the issue of marine pollution. The event took place on 16<sup>th</sup> June 2018.

### CPR Seminar and Workshop

**Cardiopulmonary resuscitation (CPR)** is an emergency procedure that combines chest compressions often with artificial ventilation in an effort to manually preserve intact brain function until further measures are taken to restore spontaneous blood circulation and breathing in a person who is in cardiac arrest. It is recommended in those who are unresponsive with no breathing or abnormal breathing, for example, agonal respirations.

Holy Family has started an excellent initiative wherein they provide training on how to conduct the cpr procedure on a person experiencing cardiac arrest. Around 53 students took benefit of this initiative, understanding what is cardiac arrest. Following which how to differentiate between a cardiac arrest and a heart attack. They were given live demonstration on how to perform the cpr procedure on an individual. At the end , a question and answer session was arranged for the students to clarify the doubts.

### Book Donation Drive

Nss Volunteers of Fr. Conceicao Rodrigues College of Engineering, organised an book donation drive with the Children of Fr. Agnel Ashram on 21<sup>st</sup> February 2019. The students understanding the importance of education arranged the drive and also had a book reading session with the same. The children of the ashram were very happy to see the engineering college students taking time off their busy schedule for the same and interactively took part in the reading sessions.

### Hepatitis Awareness Seminar

In collaboration with United Way, Mumbai an awareness session was arranged for the students on 25<sup>th</sup> February 2019, in which 78 students participated. The speakers gave the students basic information on the topic and informed them about how they can avoid the same.

Hepatitis means inflammation of the liver. The liver is a vital organ that processes nutrients, filters the blood, and fights infections. When the liver is inflamed or damaged, its function can be affected. Heavy alcohol use, toxins, some medications, and certain medical conditions can cause hepatitis. However, hepatitis is often caused by a virus. In the India, the most common types of viral hepatitis are hepatitis A, hepatitis B, and hepatitis C.

## **REPORT OF ROTARACT CLUB OF FRCRCE**

**(2017-18)**

The Rotaract Club of CRCE has been affiliated with the Rotary Club of Bombay Bandra, which has recognized the efforts that the Rotaract Club of Fr. CRCE has put in order to make a difference to the society. The Rotaract Club of Fr. agnel College (Bandra West) is affiliated to an NGO called Bigger Than Life. Bigger Than Life (BTL) is an NGO who reaches out to the underprivileged children and their families who stay in the slums of Bandstand.

Following are list of events in odd and even semester with its details.

### **Odd Semester Events**

#### **1) Footpool :**

Footpool was the first event organised by The Rotaract Club of Fr.CRCE 2017-18. It took place on the day of Synergy, 24 August at the Gymkhana at the 6th floor from 11am to 2pm. Footpool was a one participant, time and skill based event where each participant had to pot footballs in an arrangement made similar to the pool table.

#### **2)Amazing race :**

The Amazing Race was the second event organised by The Rotaract Club of Fr.CRCE 2017-18. It took place on the day of Synergy, 24 August around 4pm, outside our college premises, around Bandra west. The Amazing Race was a team based, treasure hunt, where teams of 3 (max 4) had to put their minds to test and look for clues, with the first clue being given at the college Basketball court, from where the race essentially began. The event lasted for two hours and the last clue led the teams back to the college.

#### **3) Donation Week**

- First week of August

- A week of college students donating something for charity in boxes placed around college

#### **4) Trek**

The footslog i.e. the annual trek is an initiative taken by the Rotaract club of FR.CRCE to build companionship amongst the students of various BE courses. It was a trek amidst nature that the Prabalmachi Fort had to offer. It was a one day trek and the guarantee of their safety was taken by the Rotaract council. This trek was scheduled on the 24th of September.

### **Even Semester Events**

#### **1) Cleanliness Drive**

The Clean Up Drive was an initiative taken up by the Rotaract Club of Fr.CRCE so as to promote awareness of the environment. The event took place on the **21st of January, 2018 (free of charge) at the Mahim beach opposite Hinduja Hospital** with a footfall of about 40 volunteers from college. All the garbage the volunteers collected was safely deposited and taken care of by the BMC

#### **2) Installation Ceremony**

The Rotaract Club of CRCE has been affiliated with the Rotary Club of Bombay Bandra, which has recognized the efforts that the Rotaract Club of Fr. CRCE has put in order to make a difference to the society. The Rotary Club of Bombay, Bandra wished to honour the Rotaract Club of Fr. CRCE and officially install the team of Rotaractors. This event witnessed the presence of the President of the Rotary Club of Bombay Bandra and other dignitaries. This event took place on the **17th of February, 2018.**

#### **3) Marathon**

The Heart and Sole run was an initiative taken up by the Rotaract club of Fr.CRCE so as to gather the zealous youth of the city to run for a cause. The run was organised in association with the NGO bigger than life who work for the betterment of the underprivileged slum children at bandstand. Participants could choose between **3 distances namely 12km, 6km, and 1.5km.** Taking place on the **4th of March 2018**, the runs would begin at the foot of Fr. Agnells Ashram at bandstand and would span almost the whole of Bandra West and return back to the starting point for the finish line.

#### **4) Come Together**

Come Together was the final event of the academic year 2017-2018, organized by The Rotaract Club of Fr. CRCE. This event was conducted to celebrate the journey of The Rotaract Club of Fr. CRCE throughout the year. It took place on **22nd March, 2018 from 5:00pm - 8:30pm** in SAMVAAD. It was an open event that was also used as a platform to create an awareness about Bigger Than Life and to showcase various talents of the wonderful children of the above mentioned NGO. Along with this, the event witnessed 5 motivational speakers from different walks of life, who shared their life stories and inspired the children and the audience.

### TEDxCRCE Report 2017-18

On the 14<sup>th</sup> of October 2017, TEDxCRCE hosted its Third year of TEDx Talks at Fr. Conceicao Rodrigues College of Engineering. Our theme for the event was, "Illogically Logical" encompassing those powerful ideas that we can implement in our lives today so as to positively impact our near future. This year, the event saw 11 dynamic and effective speakers from all walks of life sharing the stage with a single mission of "Ideas Worth Spreading".

The admirable personalities include Mrs. Raveena Tandon, Actress Bollywood, she is one of the chosen few national award recipients for her work in the field of cinema. Mr Siddharth Randheria, Actor, Gujarati theatre and cinema, is one of the community's most beloved idol. Mr. Prabhir Jha, CPO, Cipla. Mr. Prabhir is also one of the few LinkedIn Power profiles for the year 2017-18. Mrs. Kavita Seth, a singer having multiple record breaking music numbers to her name. Mr Mark Manuel, Editor and Journalist, Times Of India Group, has spent over 3 decades into this industry starting off as a crime reporter to now fulltime Bollywood news and updates. Mr. Gaurav Kotian, Glass harp performer, he is the youngest individual and the first to master the art of glass harp in India. Mr. Mandar Jamsandekar, Economist and Trade analysis expert. Mr Prashant warrier, CEO, Quire.ai. Mr Prashant aims at innovating AI tools and machines to read and understand X-Rays and scans. Mr. Gopal Hegde, President, Versova welfare association, aims for a Hunger free India. Mr. Rajat Mitra, a clinical Phycologist and rape analyser. Dr. Satyanarayana, Scientist and Coral Taxonomist, at ZSI has revived corals extinct thousands of years ago. The event culminated in a major success with many online and print news articles having a total viewership of more than a One and a half million views on YouTube and the TEDx website till date. We are surely and steadily reaching our milestone of 2 million views very soon.

On the 10<sup>th</sup> of March 2018, TEDxCRCE is set to organise the biggest version of its very own "Internship & Career Expo" hosting multiple companies at our college campus. Unlike over the years, TEDxCRCE is ready and set to host 5 colleges including the likes of TSEC, CRIT(Vashi) and many others, with an expected lot of over 2,000+ students will be attending the event to add a technical or a non-technical internship on their resume. Having seen a fantabulous response from companies and an equally resounding feedback from the students over the years, we believe The Internship & Career Expo slotted on the 10<sup>th</sup> of March, 2018 is going to set a bar high for all other events organised in college at an inter collegiate level.

On the 10<sup>th</sup> of September 2017, we organised the first of its-kind "Police volunteering" drive participated by more than 60 individuals. This drive is noteworthy since it is only the first time, when the students of CRCE, worked selflessly and with full intent for One Long week with the Mumbai Police Dept. under the sound guidance of Susie Napier, Commissioner, Student Activities. The Mount Mary Festival is one of the most looked upon fairs in Mumbai. Multiple Newspapers have covered our drive over the week. The students received valuable certificates from the hands of the Asst. Commissioner of Mumbai Police, right on campus, TEDxCRCE was honoured to have him on campus to distribute the certificates.

Believing in the spirit of "Service Above Self", The second year of 'TEDxCRCE Community Club' for the students of our college saw new opportunities and better volunteering services. Apart from the police volunteering drive, they had the opportunity to work for Ratna Nidhi Trust, an NGO, listed by the government of India, funded by Alibaba.com, Sharad Pawar Trust, EFA-Reliance Foundation. The students split in sessions helped sorting books donated from donors all around the globe. The students managed to sort more than over 1,500 Books in each session. These books are then sent to Libraries of Schools run by the government in the interior parts of Maharashtra.

We would like to express our sincere gratitude to our Director Fr. Valerian D'souza, Principal Dr. Srija Unnikrishnan, the college management, our Teacher-in-charge Prof. Anusha Jayasimhan, Prof Prachi Patil, our faculty members and the student community for their unstinted, consistent support and encouragement in all our endeavours. Going forward, we at TEDxCRCE will endeavour to achieve a fresh new outlook for our projects and will raise the bar further in creating more powerful, professional and energetic community centric events.

## E-CELL 2017-18

### Event Report

Event Report : Masterchef

Date: 30<sup>th</sup> January 2018.

Venue: Infront of the chapel

No of teams: 13

It was an event wherein 13 teams participated to compete against each other in race of taste and to get a glimpse of what an entrepreneur is. This is the most awaited and the flagship event of this council.

The event was coupon system based. Every table could have a maximum of 4 dishes priced at a certain rate. Each table tried to sell maximum of those items to make a profit from their food stalls.

This event was mainly focussed for the college students and teachers as well. Around 100-150 students along with the teachers were witnessed.

Whoever made the maximum profit were announced as the winners of the event . An additional price money of worth Rs. 500 added a twist to the competition . A picture had to be posted on social media at the start of the event. Whoever earned maximum likes during the 2 hours of the event was the winner.

The event was successful.

#### CRESCENDO

Event Report : IOT workshop by Roboversity (Skyfi labs)

Date: 16<sup>th</sup> and 17<sup>th</sup> march, 2018

Venue: Fr.CRCE room no: 606

No of teams: 6 teams (Group of 4)

Duration: 2 days or 16 hours

#### Course of the event:

The workshop was based on gesture robotics, instructed by Mr. Shashank Yadav. Their courses are officially a part of IIT Delhi Syllabus and IIT Kanpur orientation programs, a venture by IIT Kanpur alumni and funded by The Chennai Angels and Spark Capital.

The cost of the workshop was Rs. 4200. Every team was provided with one take away kit that consisted of all the required materials. The workshop deals with robots which involves human-machine interaction where a robot is controlled through hand movements.

#### Course highlights:

- Design, Develop and Test your own Gesture Based Robot
- Exposure to Human Machine Interaction technologies
- Understanding the working of an accelerometer
- Understanding the structure and programming of Arduino Uno
- Practical experience for participant with DC motors, microcontrollers, sensors and accelerometers

#### Kit Content:

- Arduino Uno
- Arduino Uno USB Cable
- Accelerometer ADXL335 Sensor
- L293D Motor Driver Circuit
- DC motors - 2 Nos.
- Wheels for Motors - 2 Nos.
- Castor Wheels - 1 No.

### Program outcomes:

The workshop helped the participants to understand the concept and applications of an accelerometer sensor, microcontrollers and other electronic components used in Robotics. It included practical training on building robots based on gesture recognition technology, providing students a glimpse into Human Machine Interaction technologies.

All Skyfi Labs participants had unique ID which can be verified online for authentication to access the online study material and also the online written exams and receive separate certificates with scores. These certificates with scores will provide students an opportunity to show their learning in job interviews.

Every participant was given Certificate of Completion and also Certificate of Completion with Distinction for top performers.

The event was successful.

## Beach clean up drive

From : PO. SaurabhKorgaonkar

On **15<sup>th</sup> July, 2017**, Fr. Conceicao Rodrigues College Of Engineering were successful in giving the **Juhu Beach** a new look under the **National Service Scheme(NSS)**. The event took place from 8:30am to 10:30am. All volunteers gathered up at Chowpatty beach at 8:30am.

To give a small boost the "**Swachha Bharat Abhiyaan**", NSS-CRCE planned their first activity of the year as a beach cleanup activity at Juhu Beach. A lot of our concerned students turned up to give a helping hand in this noble cause. We helped the BMC by collecting 7 bags of 10kg waste. Volunteers were provided with masks and hand gloves. They started cleaning up all the waste materials including broken murti pieces, flowers, plastic covers etc. which were left at the beach. The waste mostly contained plastic which does not decompose easily and causes harm to the marine life.

A total of **26 members** attended the Beach Cleanup drive (including **15 girls and 11 boys**). The BMC were more than happy, that we extended help to them. At the end, the BMC as well as the students felt great pride in seeing the beach all clean. This created a sense of responsibility amongst them for the balance of environment.

**Report On Tree Plantation 2017**

**From : PO. Saurabh Korgaonkar**

On 22<sup>nd</sup> July, 2017, Fr. Conceicao Rodrigues College Of Engineering successfully completed the event of Tree Plantation under the National Service Scheme. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO<sub>2</sub>. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

NSS CRCE took the initiative to contribute to a **Greener and Healthier Mumbai** through its Tree Plantation drive. A total of **35 NSS members** participated in the drive. Event Heads from NSS CRCE Russel Rodricks and Vanessa Rodricks, lead the drive. The tree plantation drive was inaugurated by our Prof. Hitendra Baboodas Vaishnav, thereafter it was taken up by the volunteers for the rest of the saplings.

A total of **32 saplings** were planted in Evershine City, Vasai (E). They consisted of robust plants of two varieties, apt for roadsides and were planted alternatively. The BMC supplied the required plants. The plantation began at 1:00 pm and took approximately 2 hours to complete. A sense of satisfaction flared on each one's face in giving back to the nature. NSS is thankful to Prof. Hitendra all the members for their valuable contribution in this drive.

**Happy Hours Stalls for Friendship day and RakshaBandhan**

From : PO. SaurabhKorgaonkar

On 4<sup>th</sup> August, 2017, Fr. Conceicao Rodrigues College Of Engineering set up stalls on behalf of Happy Hours, Santacruz on the event of Friendship Day and RakshaBandhan. Happy hours workshop is a **centre for multiple handicapped** people. **Happy Hours Workshop** which is an unique project of **Cerebral Palsy Association of India** which is a 40+ year old NGO which dedicates its efforts towards providing optimal care and seek rehabilitation of individuals afflicted with Cerebral Palsy, Mental handicap or persons with similar neurological disabilities. It sells **handicrafts** such as keychains, paperbags, bracelets etc.

The NSS unit of CRCE felt great joy in assisting this workshop to sell Rakhis, Friendship bands and other handicrafts on the special occasion of RakshaBandhan and Friendship Day. The RakshaBandhan stall was put up at the entrance of the college from **9:45 am to 4:00 pm**. The response that we got from the crowd was **incomparable**. A lot of people came in to show their support by buying these special rakhis. At the end of the event, teachers also came in to encourage, motivate and support us. Large number of NSS members volunteered for the event.

Report on **Fire Safety Measures**

From: PO. SaurabhKorgaonkar

On 19<sup>th</sup> September 2017, Fr.Conceicao Rodrigues College of Engineering successfully completed the event of **Fire Safety Measures** under the National Service Scheme. It is important to know the safety rules. Fire safety is the set of practices intended to reduce the destruction caused by fire. Fire safety measures include those that are intended to prevent ignition of an uncontrolled fire, and those that are used to limit the development and effects of a fire after it **starts**.

NSS CRCE took the initiative to call up the Kamath sir Head of the security department for an awareness meeting among the students of CRCE. Our event head RusselRodricks and Vanessa Rodricks and the entire team of NSS lead it to success.The artificial fire was created to explain the students how to react in real situation. First time the fire was extinguished by the Kamath sir then the students of CRCE practiced how to extinguish the fire. The fire extinguishers were provided by our college management.

The date for the event was

There was a total count of **63 students presented in the event, where 23 boys and 40 girls were** presented. The event took place at the ground side near the Fr. Angel School office. This event started at 10:30 pm and ended at around 12:00 pm, it took around 2 hours to complete the event.

From : PO. SaurabhKorgaonkar

On **31<sup>st</sup> August, 2017**, Fr. Conceicao Rodrigues College Of Engineering successfully completed the event of **Crowd Management** under the National Service Scheme. The volunteers gathered at the Juhu Police Station where the Police gave them instructions regarding managing the crowd. Thereafter members were allotted places to manage the crowd. They occupied all the bottleneck areas where the probability of the crowd making hindrances to the flow was high.

The members made sure the queue was maintained and all the pedestrians were not facing any issues. All the members worked hard to make it a successful event. A total of **31 volunteers (including 15 girls and 16 boys)** participated in the event. The volunteering began at 3:30pm and got over by 8:30pm. **"MUMBAI BEHIND THE SCENES"**

On **24<sup>th</sup> August, 2017**, National Service Scheme(NSS-CRCE) ,on the event of the annual Technical College Festival ,"**Synergy 2017**"organized a photography event called "**Mumbai Behind the Scenes**".Mumbai Behind the Scenes was a photography event. The participants had to click a picture and edit it to show their version of Mumbai. The photographs had to be based on a social cause such as animal rights, ageism, bullying, child labour, etc. We had numerous participants. We received multiple entries which depicted the social scenarios on a humongous scale.

The competition was very tough. After judicial scrutiny, the faculty selected top 3 entries which potrayed the cause as expected. The winners were

### **"BLIND VISION DECODED"**

On 24<sup>th</sup> August, 2017, National Service Scheme (NSS-CRCE), on the event of the annual Technical College Festival, "Synergy 2017" organized a demonstrative event called "Blind Vision Decoded". This year NSS- CRCE came up with a new event – "Blind Vision Decoded" – A magic show that revealed the science behind black magic.

This event was a major crowd gatherer, since the magician performed mind boggling tricks. Various demonstrations included how a human is fooled into a "tantrik's" tricks by exaggerating some intelligent use of words. Moreover this event enlightened the masses which will help them stay alert in the future and will prevent them from being cheated by the oculists. A lot of people including students as well as teachers attended the event. The entire team of NSS-CRCE managed the event well. The crowd was very interactive.

3.4.1, 3.4.3, 3.4.4 Extension Activity Proofs

"The gloom and doom predictions about service clubs dying is a myth. There is no way that a club like Rotaract is going to go away."

As Rotarians, the Rotaract Club of Fr. Conceicao Rodrigues College of Engineering, abides by their motto of "Service above self". The Club adopts various causes throughout the year and strives to put its whole and soul in raising awareness for the cause. The Club hosts a wide variety of events to give students a platform to showcase their talents and thus, help in giving back to the society using young talent.

The academic session 2016-2017 was an eventful year, as it witnessed the rise of the Rotaract Club of Fr. Conceicao Rodrigues College of Engineering. With the motto, "Rising from the ashes" and a phoenix as their Sigil, the Rotaract Club became an instant sensation in the college. The Club affiliated itself with the NGO Karunya Trust and specially promoted one of its endeavours - "Gyaansaathi", an educational program started by the NGO to work towards the education and upliftment of the children of ragpickers living in the Deonar Dumpyard.

### THE AMAZING RACE

The Club started with its first event on 26th August 2016, "The Amazing Race", which was a crowd puller during the annual college technical fest "Crescendo". It was a treasure hunt spread throughout Bandra. The aim of this event was to ensure that the students of the first year get more involved in college activities. The top three teams were declared winners of the event and were rewarded with cash prizes and vouchers. The official energy drink partner for the event was Redbull.

### FOOTSLOG

The second event organized by the Club, on 1st October 2016, was the "Annual Rotaract Trek-FootSlog", with the aim of getting the students together to unveil their adventurous side. The students trudged all the way up the Korigad fort. Amidst the picturesque beauty and the favourable weather, the students enjoyed this Monsoon Trek.

### JOY OF GIVING

On 13th of October 2016, the Rotaract Club of Fr. CRCE, organized a Donation Drive, "Joy Of Giving" in the college. The event was held for a week and the team urged the students as well as the teachers to donate everyday items like stationery, groceries and toiletries, which were later given to the children living in the Fr. Agnel Ashram.

In order to strengthen the relationship between the Club and the NGO, Karunya Trust, on 28th October 2016, the entire team went to the Deonar Dumpyard, Govandi. The Club organized a fun filled and interactive session with the kids and encouraged them to pursue their dreams. The entire team talked to the Director Rose Joseph who was very helpful in providing an insight to the working of the NGO. The entire session was a learning experience for the children as well as the entire team.

### LORD OF THE RINK

To promote the spirit of sportsmanship among students, on February 2017 the Rotaract Club of Fr. Conceicao Rodrigues College of Engineering organized "The Lord Of The Rink" - an open rink football tournament, wherein students from various colleges competed against each other to prove their mettle. As the saying goes, "There are two seasons- the football season and the waiting for the football season", the tournament was an opportunity for all the budding footballers to showcase their talents and compete to be the best. The winner and the first runner-up of the tournament were rewarded with cash prizes along with certificates.

### Fr.CRCE DREAM RUN'17

In order to encourage fitness and health, the Rotaract Club organized its last and final event, the "Fr.CRCE DREAM RUN'17", on March 12, 2017, a 6 km run, starting from Bandstand and finishing inside the campus of Fr. Agnel, Bandra. The Chief Guest of this event was an alumnus of our college Mr. Shroff, who is a professional Marathon runner. Mr. Ratan Mukhi, the then President of the Rotary of Bombay, Bandra , was kind enough to grace the event as the Guest Of Honour. The event was an initiative to encourage the citizens of Mumbai to run for a cause. People of all age groups participated in the Run. The top ten male and female participants were rewarded individually with gift vouchers and certificates and all the participants were given a certificate of participation. The proceeds of the event were given to the NGO Karunya Trust.

## TEDxCRCE CReseCEndo 2016

Crescendo is the annual Technical event of our college organized on the basic concept of technical learning with fun. The event organized by the Students Council allows participation of all student chapters that function under the roof of CRCE. TEDxCRCE being one such student chapter became an active participant to host multiple events for this year's Crescendo Event.

To list with, the council had 4 events which covered both the aspects of Crescendo being Technology and Fun. The C- seminar workshop and Minute to win it game were the Technology related events where as Kick-off and Mini-Militia were fun events.

The C-seminar workshop was conceptualized for the First year students exclusively as SPA a subject being compulsion for them in the Second semester will be a bit easy for all of them, the idea was to allow them to understand the language before they enter into the competitive world of Coding where C is the basic language one should understand. In the end, the attendees from the Seminar left with a handful of learning notes and sample codes. The workshop was taken by Ms. Anusha Jayasimha and was well organized by the TEDxCRCE council, the feedback of the students were taken and was well appreciated by the attendees. The event was from 11am to 1pm.

Minute to win it was the other technical event which was open for all students, the game was based on the exact same concept with which it runs on international platforms as the famous "Minute to win it , every second counts " game show. The game consisted 3 stages which tested a few abilities of the students like agility , swiftness and knowledge of Angles also the game had a major quotient of Fun which made it much more fun to play it, the amount of attendees were around 23 teams each team consisted 2 members, and the event was running throughout the day from 11am till 5:30pm. The feedback from the students were positive and encouraging.

Kick-off is the traditional TEDxCRCE event at Crescendo which is a obstacle based football game, the game is to bring out all the football crazy fans of CRCE. The game was attended by all the students of all 4 years and reviews received were very good and encouraging.

Last but not the least Mini-Militia the latest big shot game on all peoples phones is this Android-iOS based mobile game which has taken gamers by storm and has the highest downloads on both the platforms, as expected the game had overwhelming response from students of CRCE, the students from outside colleges also had a good time playing the game and saw the might of CRCE organizing the Crescendo.

These events left the crowd more aware about the TEDxCRCE council and what type of events the council has to offer at CRCE. Crescendo 2k16 was a successful one and the TEDxCRCE team proved it has the capability and the talent to add another feather to its cap of success. We believe that the powerful performance at the Crescendo will help build up the confidence in FE students regarding our Council and students will look upon the Salon event organized for them on 3<sup>rd</sup> September 2016.

## TEDxCRCE Salon 2016

The second season of TEDxCRCE started with the salon event held on 3<sup>rd</sup> September, 2016. This event was held in collaboration with the Department Of Humanities and Science. This salon was based on the theme – "CRCE and Beyond". This session is mainly targeted towards our new first year entrants in the college and shall focus on fresher perspectives on pre-notioned ideas delivered by our college alumni. They would share their experience as an alumni when they were a part of CRCE and the road to life after it. The speakers were Mr. Mahesh Pinge, Mr. Mihir Karkare, Mr. Parag Doshi and Mr. Rohit Mirza.

The event was well attended by the first year students of all branches, staff and the college management. The event started with the lighting of the lamp and a few inspiring words from Fr. Valerian, Prof Deepak Bhoir, Prof DSS Sudhakar and Mrs. Sundari Prabhavati.

The first speaker Mr. Mahesh Pinge, VP of Capgemini was from the 1990 Production branch. His talk inspired young minds to keep moving forth despite the falls. He encouraged them to re engineer their life which will ultimately impact their career.

The next speaker was Mr. Mihir Karkare, an alumnus from the 2007 Computer Engineering branch. He is the co-founder and EVP of Social Wavelength (now Mirum). His talk helped students understand the importance of adaptability and how to live their life with passion.

The third speaker was Mr. Parag Doshi who was from the 1992 Electronics Branch. He is now the Director and Co-founder of Chenoa Information and Software Services Private Limited, Mumbai. He guided the students for seeking foreign education later in their careers. He reaffirmed them with the colleges motto of "Moulding Engineers who can build the nation". He asked us to search within for the drive to develop our country and assured us of the vast number of opportunities available at home.

The last speaker was Rohit Mirza who belonged to the 2013 Electronics Branch. He is now a professional footballer for Mumbai FC. He motivated the crowd to follow their dreams. He asked them to convert their passion into their career, whatever it may be.

These talks left the crowd more aware and helped them form a picture of what their life could be in and after graduating from CRCE. The TEDxCRCE 2016 Official After Movie was revealed at the event for all the new entrants to get a glimpse into our previous event. The TEDxCRCE Community was also inaugurated by our Director, Fr. Valerian on stage.

The speakers truly left the audience with multifarious dimensions to ponder upon. The event was a successful and well received by all those in attendance. The Team believes that one powerful idea can bring about a revolution and will continue to bring about more events, which will serve as a platform for overall betterment of our college community.

*Green 3rd*

robotics and how they will track our behavior and moods acting as our personalized friends and companions with a demonstration. Bittu Sahgal spoke on how we have damaged the environment and what considerations we need to do to make the earth a better place.

13-year-old Nilanjana Jayant started the next session with a tribute to her idol Whitney Houston followed by her own compositions and ending with Frank Sinatra's "Fly me to the moon". This song had made her the only Indian to win The Golden Voices of America. Sameer Ganapathy spoke about human interaction with virtual reality and gave a tech powered talk on how gaming influences us.

Adhitya Iyer who has travelled the country, seeking out the untold stories of the common engineers spoke on the gang wars and suicides these popular engineering exams have caused across these coaching capitals and how our education system impacts the life of a teenage student in India. Akshayapatra's Shridhar Venkat spoke eloquently on the mammoth task of feeding 1.5 million students daily through the mid-day meal the nation and how he did not want to patent his technology as he did not believe in capitalizing on hunger.

TEDxCRCE also hosted an Innovation lab that saw various corporates like TCS and many students participate. We believe in getting the best talent-both established and novice on a platform that foster the exchange of ideas. The Innovation Lab is one such attempt to acquaint people to ideas that are being honed by top corporates as well as start-ups. It hosted rapid offline streaming, soil testing which assists farmers with cultivation across the nation and solar projects with the potential to light up the whole campus.

The last session witnessed Geeta Tandon, present day Bollywood Stunt woman and martial rape survivor tell her story. Equal right activist Harish Iyer spoke on how this movement is often misunderstood in India and how parents should encourage children to talk about their likes and dislikes. Model-Actress Sarah-Jane Dias spoke on how Body shamming must end and presented her life story where she too was bullied for either being too skinny or too fat. The evening ended with a scintillating dance performance by Kanaka Sabha Dance Group.

TEDxCRCE is an initiative that allows us to work in tandem with international organizations like TED and it is a matter of privilege for us to host a TEDx event. The event was well received and widely appreciated by both students, teachers and audiences. TEDxCRCE videos' will be available online on the TEDx official channel on YouTube. And a link would be provided on [www.tedxcrce.com](http://www.tedxcrce.com)

## NSS ACTIVITIES 2016-17

**Fr. Conceicao Rodrigues College of Engineering, Bandra (w), Mumbai**

**REPORTS**

**Regular NSS Activities**

**1. Rakhi Event (Happy Hours Workshop):**

Happy hours workshop is a centre for multiple handicapped people. It sells handicrafts such as keychains, paperbags, bracelets etc. The NSS unit of CRCE felt great joy in assisting this workshop to sell rakhis and other handicrafts on the special occasion of RakshaBandhan. The rakshabandhan stall was put up at the entrance of the college from 10:45 am to 4:45 pm. A member of the workshop joined to help us sell rakhis. The response that we got from the crowd was very good. A lot of people came in to show their support by buying these special rakhis. At the end of the event, teachers also came in to encourage, motivate and support us.

**2. Poster Making competition ( CRESCENDO'16):**

Poster Making competition was a colourful delight. The topic given was "Swachha Bharat Abhiyan". We provided the participants with all the stationery required such as paints, A3 size drawing sheets, pencils, etc. We got fabulous entries which beautifully portrayed the topic. Teachers judged the posters depending on their concept, beauty and skill and best 3 posters were awarded.

**3. Mumbai Behind The Scenes ( CRESCENDO'16):**

Mumbai Behind the Scenes was a photography event. The participants had to click a picture and edit it to show their version of Mumbai. The photographs had to be based on a social cause such as animal rights, ageism, bullying, child labour, etc. We had numerous participants. We received multiple entries which depicted the social scenarios on a humongous scale. The competition was very tough. After judicial scrutiny, the faculty selected top 3 entries which portrayed the cause as expected.

**4. Walkathon:**

Walkathon is a rally to spread awareness about organ donation. All members of NSS had gathered from around the city to take part in this rally. The rally started from Nariman Point at 7am and was till 9am. The Chief Minister Devendra Fadnis and a lot of other ministers also joined us in the rally to show their support. The members were all provided with organ donation t-shirts and banners. The members were enthusiastically chanting slogans "Aavyavdaan, jivaandaan". At the end, all members were provided with refreshments.

**5. Ganpati Visarjan Crowd Management:**

The event took place at Juhu beach. The volunteers first gathered up near Juhu Police station. The police accompanied them to the location. Then they divided the volunteers into groups of two and gave them different positions to handle the crowd. They were supposed to stop non

residents from entering the residential area and make sure the crowd didn't block the roads. The event started at 4pm and ended at 8:30pm. Teachers also accompanied them for supervision. The volunteers were provided with refreshments during the event.

**6. Beach Cleanup Drive:**

This event took place on 11<sup>th</sup> September at Chowpatty beach. The event took place from 7:30am to 10:30am. This event was in collaboration with Namaste Foundation. All volunteers gathered up at Chowpatty beach at 7:30am. Volunteers were provided with masks and hand gloves. They started cleaning up all the waste materials including broken murti pieces, flowers, etc. which were left at the beach during the Ganpati Visarjan. At the end, they felt great pride in seeing the beach all clean. The volunteers were provided with refreshments during the event.

**7. Blood Donation Drive(ODD SEM):**

This year our college's NSS unit had organized a Blood Donation camp in our college campus on Friday, 30<sup>th</sup> September '16 in collaboration with Tata Memorial Hospital. All the NSS volunteers were assigned time slots according to their classes for volunteering.

The blood donation drive was held from 9am to 5pm in the school auditorium. Active participation was seen right from the first hour of the blood donation drive. The HOD of Electronics department also made his part of contribution.

By the end of the blood donation drive, a total of 99 successful donors were listed. The total participation for the blood donation drive was around 120. Rest were rejected because of several reasons like weight below the minimum level, haemoglobin less than the required range, surgeries within a time span of 6 months, regular cold, cough, etc.

Few rare blood groups like O-ve, B-ve, A-ve were also collected. By this one more successful event came to an end. It was the dedication of the NSS council members and the donors because of whom this drive was a huge success and we hope that everything what was donated be able to use at the right time, perhaps to save someone's life.

**8. Road Safety Event:**

Rider Safety was a Seminar cum Training Program conducted by the NSS Council in collaboration with United Way Mumbai on 1<sup>st</sup> October 2016.

The event started at 10am and comprised of a 3 and half hour seminar in which members learned about how to ride safely, road signs and markings, motor insurances and maintenance, personal protective equipments to be carried and how to handle emergency situations. In the one and half hour demonstration, a professional rider practically taught the members how to ride a bike safely. The response from the crowd was very enthusiastic. The members were provided with refreshments during the event.

**9. Diwali Event( Happy Hours Workshop):**

Happy hours workshop is a centre for multiple handicapped people. It sells handicrafts such as keychains, paperbags, bracelets etc. The NSS unit of CRCE felt great joy in assisting this

workshop to sell handmade diyas, lanterns, Diwali items and other handicrafts on the special occasion of Diwali. The Diwali stall was put up at the entrance of the college from 10:00 am to 4:00 pm. A member of the workshop joined to help us sell their Diwali handicrafts. The response that we got from the crowd was very good. A lot of people came in to show their support by buying these special diyas and lanterns. At the end of the event, teachers also came in to encourage, motivate and support us. Everyone appreciated their art work.

**10. Visit to Old Age Home (Snehasadan):**

NSS CRCE organized an Ashram visit to Snehasadan Ashram on 27<sup>th</sup> October, 2016 (Thursday). Snehasadan is an Old age home. The NSS volunteers reached the ashram at 10:30 am and initiated by speaking to all the elderly people present. Volunteers continued to entertain the elders by singing and dancing with them. Old clothes, fruits and eatables were donated. Personal donations were also collected from the volunteers for the ashram. Volunteers left at 12:30 pm. This event was a great opportunity to spread smiles amongst our elders and a chance to get blessings and love from them.

**11. MU's 160<sup>th</sup> Convocation ceremony (Live telecast):**

NSS-CRCE attended the live telecast of the 160th Convocation ceremony of the Mumbai University. It was held on 16th January, 2017 at the sports complex of Mumbai university, Kalina. It started at 10:15 am and ended at 12:30 pm. The chief guests for the event that took place at Fort, Mumbai University were Governor of Maharashtra, Shri Vidyasagar Rao and Chairman and Managing director of Reliance Industries Ltd., Dr. Mukesh Dhirubhai Ambani.

**12. Safecity's Workshop on sexual harassment:**

NSS CRCE organized a SAFECITY Workshop in collaboration with the Red Dot Foundation on 18th January '17 from 1 pm to 3 pm. This workshop aimed to tackle sexual harassment and sexual abuse. Have you ever been in a situation where someone made you feel uncomfortable and unsafe? Has someone passed comments or touch/grope you while you were traveling in local trains, buses, shared autos or just walking down the road. But you didn't raise your voice or report it because you were too embarrassed, ashamed or just didn't want to get into trouble with the cops. Here's a solution to all your problems :

1) Go to [www.safecity.in](http://www.safecity.in)

2) Report the What When and Where of the incident. Safecity organization will show the area of crime with a red dot on the maps so that next time when someone is traveling in that area, they can be careful. If a lot of reports are made in a certain area, then we collect the crowdsourced data and report it to the police. PLEASE NOTE YOU DO NOT NEED TO PROVIDE YOUR NAME TO REPORT THE CRIME. IT IS TOTALLY ANONYMOUS.

**13. United way Mumbai's Hepatitis B training:**

NSS CRCE organised on 19 January, 2017 a Hepatitis Workshop with collaboration with United Way of Mumbai. In this workshop students were trained to be a part of the Green Ribbon

Brigade. As a part of this brigade their job would be to spread awareness about hepatitis through street plays, rallies and door to door interactions.

**14. United Way Mumbai's Advanced training on Road Safety:**

NSS CRCE organized a RIDER SAFETY Workshop in collaboration with United Way of Mumbai on 20th January'17 from 2pm to 5pm. In this workshop, members were taught about :

- 1)Effect of speed on the vision of rider
- 2)Measuring your helmet size correctly
- 3)Different Helmet Standards
- 4)Effect of alcohol on the vision of the rider
- 5)Regular Maintenance of your bike

This was a advanced training session of the previous workshop held in October 2016.

Members who attended both the workshops were awarded with certificates.

**15. Voter's Registration drive:**

NSS CRCE organized a Voter's Awareness Drive on the occasion of National Voter's Day on 25th January 2017. It started at 9am and went on till 5pm. As a responsible citizen, it is our right and duty to cast our votes to bring out changes in our government.

Let's spread this message and make maximum number of people participate in the upcoming BMC elections.

NSS volunteers distributed voter's registration forms to everyone. These forms were to be filled and submitted to their respective wards to obtain a Voter's ID.

**16. Blood donation drive(EVEN SEM):**

This year our college's NSS unit had organized a Blood Donation camp in our college campus on Friday, 3<sup>rd</sup> February'17 in collaboration with Tata Memorial Hospital. All the NSS volunteers were assigned time slots according to their classes for volunteering.

The blood donation drive was held from 9am to 5pm in the school auditorium. Active participation was seen right from the first hour of the blood donation drive. The HOD of Electronics department also made his part of contribution.

By the end of the blood donation drive, a total of 100 successful donors were listed. The total participation for the blood donation drive was around 120. **17. Voter's awareness rally:**

On 6th February'17, NSS CRCE participated in a voter's awareness rally. This event was organized by \_\_\_\_\_ the \_\_\_\_\_ Mumbai \_\_\_\_\_ university. It started around 7:45 am, where volunteers and councils of different colleges assembled at National college (Bandra). The rally which was expected to end at Bandra station was rerouted towards \_\_\_\_\_ bandstand. We screamed slogans like "aaram Haram hai", "vote do vote do, 21st Feb ko vote karo" etc. Charts and \_\_\_\_\_ placards \_\_\_\_\_ were \_\_\_\_\_ distributed \_\_\_\_\_ and \_\_\_\_\_ showcased. We halted at the garden opposite CRCE which marked the end of the rally.

**18. Juhu beach cleaning:**

NSS CRCE organised a 'Beach Cleaning Drive' at Juhu Beach from 8:30am to 10:30am on 12<sup>th</sup> February'17. A significant change was observed in the cleanliness of the beach after our drive. The volunteers worked hard to clean all the trash on the beach. We were successful in creating awareness about the importance of cleanliness.

### TEDxCRCE Salon Report

The TEDxCRCE council had organized its third edition of TEDx Salon events on 16th January, 2016. The trek was organized for majestic 16<sup>th</sup> century Korigad Fort located at around 20km from Lonavala near Aamby Valley. There were about 70 students who attended the trek along with 2 faculty members, Prof. Saurabh A. Korgaonkar and Mr. Sebastian Dias.

On January 16, 2016 morning, students had reported at 5.30 am on Bandra Station (West) as they were told and left by 7.15am. Breakfast was provided to the attendees in addition to a stop at Food Plaza on the way to the fort.

The two buses reached Peth Shahpur village which was the base village and starting point of the trek. Safety instructions were given to the student and around 11.30am students had started the trek to Korigad fort in their assigned groups. It began as a 15 minutes walk followed by a well maintained climb by steps to get to the top.

Around 12.30pm students had reached the top of the fort. It was a scenic view of Aambay valley along with temples of the patron goddess Koraidevi and smaller ones dedicated to Vishnu and Shiva. The beauty and architecture of the fort were witnessed by everyone.

Around 2.00pm students had started to return to base point. Around 3.00pm students reached the village base and at 3.30 pm buses left Peth Shahpur. A lunch halt was taken at Sunny Da Dhaba and after lunch we headed to Mumbai. Buses reached Bandra station (West) at 7:30 pm.

At the end each and every student had enjoyed a lot. Each and every one was happy with the trek and gave good feedback. The event concluded successfully being well received by many.

On 11<sup>th</sup> of April, 2015, Fr. Conceicao Rodrigues College of Engineering had the privilege of hosting its maiden TEDx event. TEDxCRCE marked the advent of the TEDx movement in our college and was the first TEDx event to be hosted by any engineering college under Mumbai University. As opposed to sultry mid-April afternoon humdrum, the atmosphere at our venue was electric and full of energy. TEDxCRCE saw 250 attendees (simulcast and live viewing) and 11 speakers come together to celebrate the endless possibilities that originate as a result of innovative ideas, and explore "The Unbounded Panorama"- which was the theme of our event.

The event saw many great personalities like D.Sivanandhan, Ex-DGP, Mumbai Police; Kalpana Morparia, CEO India JP Morgan Chase; Dr. Radhakrishnan Pillai, Best-selling author and Management Guru; Anuradha Prabhudesai, Founder of Lakshaya Foundation among a few, share their thought provoking opinions. The event also saw Kanchan Daniel and the Beards, a renowned Blues band croon some famous numbers and a mesmerizing, soulful violin performance by international artist Karthick Iyer left everybody spellbound.

Cumulating the spirit of TED's mission, "Ideas Worth Spreading" and our college motto "Moulding Engineers who Build a Nation", TEDxCRCE strived to recreate the unique experience found at TED, where the world's leading thinkers and doers congregate to share what they are most passionate about. Our aim was to provide a platform where the smartest thinkers, greatest visionaries, and most fascinating teachers will be inspired and will have the opportunity to inspire others.

Encouraged immensely by the bountiful appreciation received for the first event, we organized multiple TEDx Salon events to keep our college community inspired between successive main events.

On 5th September 2015, The TEDxCRCE council organized its first ever edition of TEDx Salon events. The event was witnessed by over 200 attendees including first year engineering students, faculty members and college management. "Thriving in Engineering and Beyond" was the theme that proselytized dialogue between the new entrants and the our very own alumni who guided them on various aspects of college.

The second edition of TEDx Salon event was on 3<sup>rd</sup> October, 2015. The event was witnessed by around 150 attendees including our college students, faculty members and college management. "New Dimensions", was the theme set up for this event with the speakers like Pareesh Shetty, President Idea Cellular, HIV activist Jyoti Dhawale, Forum for the Future Director Anna Warrington share their views, followed by an energetic singing performance by YouTube sensation Shraddha Sharma.

TEDxCRCE firmly believes in offering a variety of provocative platforms for community based idea sharing. Keeping this thought in mind we organized a day trek to the majestic Korigad fort where students shared their experiences on "What connects them with nature?".

In the past TEDxCRCE has organized multiple knowledge and entertainment based events like quizzes, C seminar and a widely appreciated obstacle based football event, "Kick me" during our college technical fest, Crescendo.

This year too, we wish to raise the bar higher by organizing events that bolster are motive of community centric learning and foster cumulative idea sharing, thereby supplant all expectations.

## TEDxCRCE 2015 Report

On 11<sup>th</sup> of April, 2015, Fr. Conceicao Rodrigues College of Engineering had the privilege of hosting its maiden TEDx event. TEDxCRCE marked the advent of the TEDx movement in our college and was the first TEDx event to be hosted by any engineering college under Mumbai University. As opposed to sultry mid-April afternoon humdrum, the atmosphere at our venue was electric and full of energy. TEDxCRCE saw 100 attendees and 11 speakers come together to celebrate the endless possibilities that originate as a result of innovative ideas, and explore "The Unbounded Panorama" - which was the theme of our event.

Cumulating the spirit of TED's mission, "Ideas Worth Spreading" and our college motto "Moulding Engineers who Build a nation", TEDxCRCE strived to recreate the unique experience found at TED, where the world's leading thinkers and doers congregate to share what they are most passionate about. Our aim was to provide a platform where the smartest thinkers, greatest visionaries, and most fascinating teachers will be inspired and will have the opportunity to inspire others.

The event began with Kanchan Daniel and the Beards, a renowned Blues band croon some famous numbers like "Blue Rain" and followed by Mukund BS, Founder of RenewIT make us feel blue and turpid about the current digital divide and how asset recovery could help solve this problem. He made us aware how socially and economically potent could computer penetration be. Mamta Goenka, a two time cancer survivor spoke of her journey from "CANCER" to "CAN RACE" and how satisfying it was to help fellow women like her battle the disease post her remission.

After gorging on delicious cakes and assorted patisserie in the first break that gave an opportunity to network with some like-minded individuals, began the next session. The opening talk was by Tejas Suma Shyam who spoke on one of the hottest dinner of all times - "Education is not equal to Information" followed by top management guru, Dr. Radhakrishnan Pillai tell the secrets of becoming rich. The next speaker Anuradha Prabhudesai spoke about the dangerous optimism of the Kargil war soldiers and moved everybody to tears with her thought provoking speech.

Dr.Kaushik Bhojani told us about Rheumatology,an often underrated branch of medical science that could solve many problems that other branches cant.

With more food for thought and for the stomach and soothing mocktails to digest this down, began the final leg of our event. A mesmerizing and soulful violin performance by Karthick Iyer left everybody spellbound and Sheetal Tandon's talk on the devastating state of India's heritage structures left everybody astound.She spoke on the importance of conservation of structures and the environment for sustainable development. The next speaker, Kalpana Morparia,CEO India,JP Morgan Chase and Co. spoke on the simple truth about successful careers and how one should identify with the purpose of the job than just the pa package it offers. Ex-Director General of Mumbai Police, D.Sivanandhan spoke how technology aids terrorism and how we can combat terrorism using technology.

With this last talk the event came to an end. It was much appreciated by all and got fantastic reviews. 'The Unbounded Panorama' the event aimed to explore persuaded all to not fret about fetters. It encouraged stretching existing boundaries and breaking new ground. Be it Technology, Entertainment or Design, all went home with the belief to challenge all norms and bring out envision the Unthinkable.

REPORT  
NSS ACTIVITIES  
2015-16

**Fr. Conceicao Rodrigues College of Engineering, Bandra West, Mumbai 400050**

**"Maharashtra AndhashraddhaNirmulanSamiti – A Fight against Superstition"**

On August 27, 2015, Maharashtra AndhashraddhaNirmulanSamiti, an organization dedicated to fighting superstition, conducted a seminar cum workshop in the college premises.

Three representatives from the organization conducted the seminar. While they began with a poem, a huge crowd gathered near them. The workshop aimed at developing scientific attitude and critical thinking. They provoked the audience to ask questions and requested them not to believe things blindly.

The attendees were amazed with the acts performed by them, few of them included lighting a lamp with water, removing a cloth from an intact coconut, and so on. They also demonstrated how we as humans, may easily be confused, by demonstrating certain acts. They also raised awareness about the death of Mr. NarendraDabholkar, the founder-president of Maharashtra AndhashraddhaNirmulanSamiti.

Overall, the aim of the event was fulfilled, and the crowd was inspired. The workshop was indeed an eye opener.

**"Mumbai Behind The Scenes"**

Due to the overwhelming response since two years, this year too, our NSS unit organized 'Mumbai behind the Scenes' - an event which focuses on the problems faced by people in Mumbai during the annual college technical fest Crescendo which was held on Friday, August 28, 2015.

It was an inter-college event where students from colleges all over Mumbai could participate. A lot of students from our very own college and from other colleges took part in this event. A total of 11 teams participated, each team having a minimum of two members. The participants delivered presentations on the given topic, ranging from various social situations, and spoke about its history, the problems, and also suggested solutions to it. The judges, volunteers and the remaining audience attending it asked various questions, and through this event, they were also informed about scenarios in Mumbai.

The event started at 11:00 AM. There was a half an hour break in between. The teams were judged by a panel of two judges on the basis of their field work, their presentation, solution, and their ability to answer the questions asked. The first place was grabbed by the team of St. Andrews College, Bandra West. The event touched its end at 4:00 PM.

**"Two Day Area Project - Wada"**

The NSS unit of Fr. CRCE organized a Two Day Area Based Project at Wada, Palghar District on 2nd and 3rd October 2015.

**1<sup>st</sup> Day:**

The day started at 6:30am with morning exercise and warm up. The camp site had a positive atmosphere around it. After breakfast volunteers started with the field work. Volunteers were exposed to clean and refreshing environment. They were divided into groups to distribute the work load. Each group elected a group leader and tasks were allotted.

In field work tasks like leveling of road, channeling the rain water off the road, digging holes for tree plantation and others like preparation of saplings were done. Simultaneously, the cleaning committee swept the periphery of the camp site thereby encouraging and promoting Swacch Bharat Abhiyan.

Due to rainwater, the mud on the road gets carried away at the bottom thereby forming a groove in the road hence the leveling of the roads were done by first cleaning the road and removing the stones and unwanted objects and the road was leveled. Channeling was done by making a diagonal cut across the road to prevent the erosion and water logging.

After field work everyone had lunch around 1:30pm and rested after the rigorous labor work.

**2<sup>nd</sup> Day:**

In the second half, activities related to SWACH BHARAT ABHIYAAN were done. The waste collected by cleaning the surrounding of the site were disposed properly into the bins. Tree plantation drive was also conducted by planting more than 25 trees on the camp site. Holes were dug by the volunteers and the tree saplings were then planted. Preparation of saplings was another task assigned. More than 550 saplings were prepared by the volunteers. These saplings were ready to be delivered to the farmers. Work was completed, and after some rest, students departed the site.

**"First Aid Seminar"**

On 6<sup>th</sup> October 2015, as a part of the general awareness activities, the NSS unit of Fr. CRCE conducted a seminar on First-Aid.

The seminar was delivered by 4 medical students of Seth G.S. Medical College, Parel. It began at 4pm in Room No. 406

A presentation was shown which highlighted the ways to handle situations after crisis like choking, shock, damage done due to fire, heat explosions, and heart attacks. The seminar was more educational since they demonstrated some techniques to tackle the above mentioned crisis. It created a lot of awareness among the audience.

Later, a Q&A session was held, where the doubts of the students were clarified.

The seminar concluded after 5.30pm and the motive of the seminar was fulfilled.

The blood donation drive was organized on 7 October by the NSS Unit of Fr. CRCE. It began at 10am and was organized in association with Holy Family Hospital, Bandra West.

Prior to the beginning of the donation drive, the school hall was cleaned and arranged by the students. People gathered in large numbers and were very excited as there were many students who were experiencing blood donation for the first time as many First Year Students came forward. Dr. Sunil from the Holy Family hospital accompanied few students to every class to spread the good word of the donation drive.

A large number of diploma students also came forward to donate blood. Donors were accompanied by a Volunteer to check on the donor as well as assist. Volunteers also assisted the nurses in registration, hospitality, etc. Students who donated blood were provided with energizing fruit juices and biscuits. The drive ended at 4pm.

Blood was collected and transported and approximately 60 people donated blood.

A unit consisting of 25 students participated for the camp. The main aim of this camp was:

- Deepening River Bed
- Transferring Soil
- Rainwater Harvesting
- Educating Villagers about Sanitization
- Educating villagers about social situations.

**Day 1 (December 24):**

The NSS Unit begin their journey to Khamgaon from Bandra, Mumbai along with the Programme Officer - Mr. Saurabh Korgaonkar at 8 am. A halt for breakfast was taken in between, and after arriving at the camp site at 2 pm, volunteers had their lunch.

After lunch, volunteers settled, kept their luggage in their room and rested till 4pm. On the occasion of Dattajayanti, volunteers decided to put up an act for the community. Volunteers prepared a skit with a social message of cleanliness and also put up a musical performance to entertain the villagers. Our unit also witnessed performances put up by the villagers themselves. After the programme, dinner was served. After dinner, the schedule of the next day was explained and later on volunteers departed to their rooms. Lights shut at 10 pm.

**Day 2 (December 25):**

Volunteers began their day at 7 am, and had their breakfast at 7:30 am. After breakfast, the work was explained, and everyone proceeded to the work site. The camp site contained of a pit of grass which had to be separated and later dug for rainwater to be harvested. Volunteers separated the grass till noon and collected it. Later on it was disposed of. Work continued till noon.

Volunteers returned to the place of stay, refreshed themselves and had their lunch. After taking some rest, Volunteers headed to a nearby village where they interacted with them, sharing their stories, and discusses about certain affairs. Volunteers returned to their place of stay before sunset. After a short duration, dinner was served, and lights were switched off by 10 pm.

**Day 3 (December 26):**

Like the previous day volunteers began their day at 7 am, and had their breakfast at 7:30. And proceeded to continue the work done on Day 2. Volunteers started digging the pit, and a considerably large amount of the site was dug, and work was completed. Volunteers then later returned to refresh

### **Inauguration**

The 10<sup>th</sup> August, 2014, the NSS unit of Fr. Conceicao Rodrigues College of Engineering conducted an inauguration ceremony for all the NSS members. Rev. Father Victor, Rev. Father Dennis, Principal Dr. Mrs. Unnikrishnan, Program Officer Professor Mr. Rao, Program Officer Professor Dr. Khanolkar and Head of Department of Production Engineering Mr. Sudhakar were the chief guests for the seminar. This event began with lightening the lamp by the chief guests and giving bouquets to all the dignitaries. Mr. Rao sir welcomed everyone on the account of NSS and gave a brief idea as to what was expected from the students by the NSS and the Indian community as a whole. Rev. Father Victor, Rev. Father Dennis, and Principal Dr. Mrs. Unnikrishnan also shared their views regarding the NSS and also appreciated the work and dedication of all the members. The NSS Council members informed the entire unit about the various activities of the NSS that take place throughout the academic year and also informed the unit about the reach of NSS in the society.

A presentation was shown to all the students' present showing all the details of every event and camp conducted during the previous year. This presentation, still further, cleared the concept of NSS to every individual. The council members also expounded on the significance of the NSS motto, "NOT ME BUT YOU" and its logo. The new members were also informed about the decorum and culture to be followed during all the NSS camps and all the NSS events.

This session was really useful for generating the youth spirit amongst every individuals mind present during the ceremony. The entire unit was motivated by the inspirational speech of the honorable chief guests. The previous year's NSS council members were felicitated with bouquets and certificates for their splendid work during the academic year 2013-2014 and the new council for the year 2014-2015 was introduced. Harsh Desai the senior member of NSS shared his experiences with the NSS unit.

The orientation came to an end bringing in an energetic and an enthusiastic change in Fr. CRCE students towards social service.

**THE NSS 7 DAYS CAMP**

The NSS unit of Fr. Conceicao Rodrigues College of Engineering had organized a 7 days camp from 19th December 2014 to 25th December 2014 at Khamgaon, Dist: Raigad with the motive of serving the people of rural India in the best possible way. A unit consisting of 35 students participated for the camp. The main aim of this camp was:

- Deepening Trenches
- Building Bunds
- Making a Garden for Villagers
- Indexing and Arranging the Books in the Village Library

**Day-1:**

On the 19<sup>th</sup> December 2014, the unit along with Program Officer Prof.V.B.Rao left from Mumbai at 9:00am and reached Khamgaon at 3:00pm. The unit was welcomed by Mr. Amol and Mr.Pratik. Under the supervision of the Program Officer Prof.V.B.Rao proper arrangements of accommodation of Males and Females were done.

After freshening up the Unit had Lunch in a house in the village and took rest till 5:30pm. The villagers had organized an opening ceremony which was blessed by the presence of many village authorities. During the ceremony the unit was informed about the present scenario of the village and the problems faced by the villagers. A very inspirational and motivational speech was given by all the dignitaries which made the unit more enthusiastic about the camp. The Camp In-charges informed the unit about the decorum to be maintained during the camp. And thereby the camp was declared open. A meeting was called by Mr. Amol and Mr.Pratik with all the NSS council members to revise the schedule of the entire camp.

The students returned at 8:00pm. Dinner was served at 9:00pm. The lights were switched off at 10:30pm.

**Day-2:**

On the 20<sup>th</sup> December 2014, breakfast was served at 7:30am. After the breakfast, at 8:30am, the unit was then divided into groups so as to ease the functionality during the tasks in the camp. All the students were taken at the work site. After reaching at the site, all the students were informed about the work they had to do and the way in which the work was to be done by the villagers. The work of deepening the Trenches started at 9:00am. A Trench is a type of Excavation or depression in the ground that is generally deeper than it is wide and narrow compared to its length. Trenches are dug to reduce the speed of flowing water in monsoon in order to help water percolate into the group and activate springs. The unit worked in their groups, work was done under the supervision of the Camp In-Charges. Soon after, the students were taken back to the place of residence

where the lunch was made ready by 1:00pm. 2:00pm-3:30pm was decided as the spare time where students could take rest.

At 3:30 pm the unit was taken to the Jan Jagruti Centre, this center was built by the villagers as a meeting place, where all the meetings or cultural events of the village took place. Few children from the village had assembled there to register for the Fancy Dress competition (hosted by the NSS unit) which was to take place on 20<sup>th</sup> of December. The Registrations were done and the NSS Members interacted with the children and helped them decide about the costume and presentation for the competition. As per the schedule dinner was prepared and served by the NSS-Volunteers and lights were switched off at 10:30pm.

#### Day-3:

On the 21<sup>st</sup> of December 2014, as per the schedule, breakfast was served and at 8:30 am all the students were taken to complete the remaining work of the Trenches. By 1:00pm, the unit was able to complete the work of the trenches. The unit was taken for lunch thereafter.

At 3:30 pm after rest the Unit headed to the Jan Jagruti Centre where the volunteers prepared kids for the Fancy Dress Competition, dressing one as Jijabai the other as Shivaji, someone as Gabbar Singh while someone as Gandhiji giving the message of Peace and so on. There were a total of 20 participants, the competition Judged by two Village authorities and the two NSS-Council Members went on from 4:30 to 6:30 pm. Three best participants were declared Winners and were given gifts from the NSS Council. After spending time with the Children the members returned for Dinner, Dinner was served at 8:30 pm Lights were switched off at 10:30pm.

#### Day-4

On 22<sup>nd</sup> December 2014, at 8:30 am after breakfast the unit was taken to a lakeside where Bunds had to be built. Under the guidance of the Program Officer and the Camp-incharge the Volunteers completed 60% of the work by 1:00pm after which Lunch was served. The Unit resumed work at 3:00pm and finished the work at 6:00pm. After completing the assigned task, unit was taken back to the residence. After the snacks, at 7:00pm, different topics were given to the groups on which they had to prepare a skit and perform on the final day of the camp i.e. 24<sup>th</sup> December. At 9:00pm dinner was served by the NSS-Volunteers and the lights were switched off.

#### Day-5:

On 23<sup>rd</sup> December 2014, at 8:30am the unit was taken to the work site. The Work for day -5 was:

- To clean the piece of land and build a Garden there.
- Indexing and arranging of books in the Village Library.

Program Officer

Principal

The unit was divided into two Groups and went ahead to work. The unit continued work even after Lunch. After Tea and some snacks, the Unit prepared Beautiful Posters to enlighten the villagers on Social Issues and explained how to overcome them. The Posters were loved by the Villagers and put up in the Jan Jagruti Centre as a memory of the NSS Unit. The unit returned to the residence and the female volunteers helped in preparing dinner. Dinner was served at 9:00pm and lights were switched off at 10:30 pm

Day-6:

On the 24<sup>th</sup> December 2014, at 9:00am all the groups of the NSS unit took up the works of building the garden and arranging the books in the Library. Under the supervision of the Camp In-Charges, major part of the work was completed by lunch. The unit was taken back to the place of residence and the lunch was served. At 3:30pm, the volunteers resumed to continue the remaining part of the work which was done till 5:30 pm.

After which many of the villagers attended the Skits prepared by the various groups of the NSS-Unit. 3- Skits of 20-25 min. Each were presented by the Unit followed by a village survey. The unit was then taken for Dinner and the lights were switched off at 10:45 pm.

Day-7:

On the 25<sup>th</sup> December 2014, at 8:30am, the unit got back to the unfinished work of the previous day and completed it by 11:30. The empty space was transformed into a beautiful garden and around 450 books were indexed and arranged in the Library. At 12:00pm a send-off ceremony was arranged for the unit in presence of the Sarpanch of Khamgaon Gram Panchayat, other Gram Panchayat members, Camp In-Charges Mr. Pratik and Mr. Amol and few villagers. SARPANCH gave a very emotional and inspirational speech to all the members. Few of the NSS members also shared their experience about the camp. They also shared their feelings and thoughts regarding the immediate changes which the rural India needs in order to develop as a whole. They extended their thanks to all the people who helped the unit to complete all the assigned tasks within the given time frame. The most important part of their thoughts was the SELF SATISFACTION they got by participating in this camp. All the guest of honors appreciated the work of the NSS unit and was very happy to see youngsters work for the welfare of the country apart from their hectic college schedules. Token of love was given to the Sarpanch, Camp In-Charges and all the dignitaries present there by the NSS unit. The villagers felicitated all the NSS members with roses for their splendid work and the dedication to work for a better India. At 1:30pm, the NSS unit started with their return journey with lots of memories in moist eyes to cherish in the future. The unit reached Mumbai at 8:00pm.

With the efforts of the NSS Council 2014-15, a wonderful 7-Days Camp came to an end.

**Balbhavan Visit**

DATE: 26<sup>th</sup> January, 2015

On 26<sup>th</sup> January 2015, NSS council of the college visited an ashram 'Balbhavan'.

We conducted a poster painting competition for the kids for two hours. These young minds displayed their amazing talent through the posters they made displayed talent that these young minds possess. We also heard short poems and songs composed by them, each of whom was just as eager to make us listen to their masterpiece. It was all about giving the kids of the ashram much needed attention, something that would make them feel just as any other normal child.

We interacted with their teachers and got feedback from them as to the different ways we could help in any means possible. At the end of our stipulated 4 hours no one wanted to leave but since the kids had their regular routine we parted ways.

Kids were the attraction of this event. Finally NSS unit finished the day by a short inspirational speech given by program officer Prof. V.B.Rao. Everyone enjoyed the company of those wonderful kids.

### **Blood Donation II**

This year our college NSS unit had organized a Blood Donation camp in our college campus on Wednesday the 10<sup>th</sup> of September, 2014 in collaboration with Holy Family Hospital, Bandra(West).

All the NSS volunteers were assigned time slots according to their classes for volunteering.

The blood donation drive was held from 9:00am to 5:00pm in school auditorium. Active participation was seen right from the first hour of the blood donation drive. The H.O.D of Electronics department also made his part of contribution.

By the end of the blood donation drive, a total of 100 successful donors were listed. The total participation for the blood donation drive was around 160.

Rest were rejected because of several reasons like weight below the minimum level, Hemoglobin less than the required range, surgeries within a time span of 6 months, regular cold, cough etc.

Few rare blood groups like O-ve, AB-ve, A-ve were also collected.

By this one more successful event came to an end. It was the dedication of the NSS council members and the donors because of whom this drive was a huge success and we hope that everything what was donated be able to use at the right time, perhaps to save someone's life.

**Clean My Mumbai Campaign**

Date: 1<sup>st</sup> March, 2015

On 1<sup>st</sup> March 2015, The Hindustan Times (HT) held the "Clean My Mumbai" Campaign at Hill Road, near Stanislaus School ground (the gathering point). The members of NSS CRCE, actively participated in the campaign. Everyone involved in the campaign gathered around 8:00 am at the gathering point. The volunteers of Hindustan Times gave instructions to all the present members and also enlightened them about the need of cleanliness in our city. The organizers provided each and every volunteer with face masks, gloves, brooms and caps to facilitate our work. All the members were divided into groups. Each assembled groups were allotted an area to be clean. We set off to clean the beach by 9:00am sharp. NSS Volunteers, whole heartedly cleaned the streets of Hill Road along with students from different schools who participated with in the campaign. The event was called off by 11:00 am. By the end of this applaud able initiative by The Hindustan Times (HT), the streets of the area were left spic and span. All the members were provided with refreshments and granted leave.

**Clothes Collection Drive**

There are hundreds of homeless people in Mumbai who are forced to live under flyovers, on footpaths, underpass, bus stop or train station and spend harsh winters on the streets without even basic clothing.

So NSS CRCE took the initiative to donate used clothes, utensils, stationary to the needy. We had kept booths at the entrance of our college building where people can donate used clothes, utensils and stationary. This event was open for two days 22 and 23 September 2014.

The NSS members as well as other students came forward and showed their generosity towards the needy.

At the end of the second day we gathered a lot of clothes. We handed them over to the Goonj NGO Dropping center in Santacruz West.

**Clean Up Drive at Fr. CRCE**

NSS CRCE conducted campus cleaning programme on 14 January, 2015 in our college premises.

Keeping the Campuses clean and tidy is a big job as this facilitates a better learning environment. NSS Members equipped themselves with rakes, brooms and large trash bags – ready to pitch in for Campus Cleanup. Students divided into several groups, eager to begin. Some headed for the canteen area to clean up while others set about raking and gathering up branches, leaves and debris on the campus grounds.

The end ended at 5:00pm. This event was a fun and memorable experience for everyone.

### On The Spot Skits

Our society has a lot of social issues. Some issues are being faced since ages, some issues started recently. Whenever maybe the inception, these issues have to be understood, brought into the broad daylight and effectively addressed. Problems are within the societies, so the responsibility of dealing with them too lies with the Society. We at NSS CRCE had a very simple motive behind this activity – Addressing Social issues in a more interactive and entertaining way.

The rules of the competition were very simple. Each team was given a topic which could be related with the current issues faced by our community. The topic was given just minutes before their turn so they had short time to prepare. The teams had to prepare a short skit which explains the topic given to them. The judges were our professors Dr. Hemant Khanolkar, Ms. Roshni Suresh Padate and Mrs. Deblina Saha.

We began the competition at 3:00pm when all three of our judges came in. We had a total of 7 teams. Each team was given their respective topics and the teams performed one by one. The judges were evaluating simultaneously. Eventually our Principal Dr. SrijaUnnikrishnan and other professors joined as audience. At 4:30pm the competition ended and the winners were announced by the judges. The judges appreciated the NSS Unit's efforts and the event concluded on a positive note.

**Visit To Home For The Aged**

DATE: 29 February, 2015

NSS members visited old age home –HOME FOR THE AGED on 29 February, 2015 at 10 am.

The anticipation and excitement of the students was shared by the inmates of the homes. The students interacted with the seniors. The homes were well equipped with facilities and were very well maintained and hygienic. The people living in the homes shared their life experiences with the students. They talked about their families and the circumstances under which they came to live in the homes. They also shared vital lessons of life with the students who listened intently.

This visit ended at round 1:30 pm. The visit to the homes was a rewarding and heartwarming experience for both the students and the inmates of the home.
